What is growing?

Name _____

School _____

Can you match the correct label to each picture? Draw a line from each crop name to the matching picture. Then draw lines to the food pictures to show what can be made from each crop.

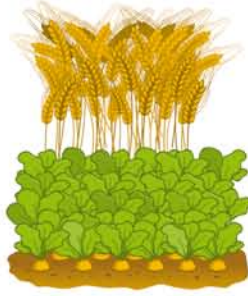

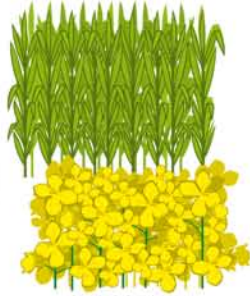

What can be made from it?

Wheat

Sugar Beet

Oil Seed Rape

Corn

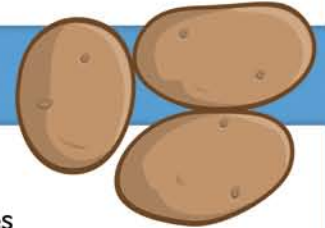

Spot the difference

Can you find 8 differences between the pictures below? Mark all the differences with a circle on the bottom picture.

Potatoes

Potatoes need light, water and food from compost to grow. Draw a picture below of potatoes growing and show each of the things they need to grow.

Now draw your favourite food made with potatoes.
